Oklahoma Greenhouse

Growers Association

email: ohic@ionet.net
website: www.ogga.org

The Oklahoma Greenhouse Growers Association is comprised of growers and marketers of floriculture crops such as bedding plants, potted flowering plants, cutflowers, garden perennials, herbs, foliage plants, patio plants groundcovers and hanging baskets. The Association also includes those involved in related areas as well as students of horticulture.

The Association promotes floriculture education, research, marketing and the industry itself. It provides numerous opportunities to learn to become more successful in one's floriculture business or other endeavour, and to network with others in the industry.
